Requirements for attending class:

1. You must be 21 years of age, and US citizen or resident alien to obtain a concealed pistol permit. Younger people are eligible to attend the class, but will not be able to obtain a CPL.
2. Bring 100 rounds .22LR Standard or High Velocity ammo, ear and eye protection.
3. Cost of course is \$95, or \$65 for current FRCC members.
4. For CCW purposes this course complies with the 1927 PA 372 sec. 5j(2)(b) as amended by 2000 PA 381 sec. 5j and 2003 PA 719 effective July 1, 2003.
5. Class size is limited to a maximum of 12 students. This allows us to complete the class in one day.
6. A \$50 **non-refundable** deposit is required to reserve a seat in the class. If unable to attend due to a valid emergency, the deposit may be applied to a future class.
7. Please mail **top portion** of this application and a check for \$50 **payable to FRCC** to, Ron Carlton, 202 E. Grove St., Greenville, MI 48838. The balance of the course cost can be paid on the day of the class in cash, or check made **payable to FRCC**.
8. Students with a .22LR handgun (semi-auto or **double action** revolver) are encouraged to bring it. A limited number of .22LR handguns will be available from the club and we can usually accommodate preferences for revolver or semi-auto. Students may bring a center-fire handgun to shoot after the formal shooting course has been completed. This is an excellent opportunity for those considering the purchase of a handgun to try different types and calibers. We have never had a student with a handgun refuse to let someone else try their gun.
